MIAMI (Dec. 12, 2022) – Centrum Health, a high-performing, value-based primary care provider, announced today its partnership with Ambetter from Sunshine Health as one of the organization's preferred insurance providers. This partnership provides Centrum Health patients in Florida with access to affordable healthcare coverage through Ambetter's Value Plan.

Centrum Health takes a proactive approach to healthcare to make staying healthy simple. By choosing the Ambetter Value Plan with Centrum Health, members receive robust benefits that include:

- **Comprehensive Medical Care** – for coverage on essential medical care and wellness services, such as preventive care, maternity care and emergency services.
- **Care and Disease Management** – for members who need extra support, Ambetter's care managers coordinate care and support services as part of their treatment plan.
