DALLAS, Texas (Dec. 14, 2022) – Centrum Health, a high-performing, value-based primary care provider, announced today its partnership with Ambetter from Superior HealthPlan as one of the organization’s preferred insurance providers. This partnership provides Centrum Health patients in Texas with access to affordable healthcare coverage through [all Ambetter plan offerings](#).

Centrum Health takes a proactive approach to healthcare to make staying healthy simple. By choosing the Ambetter Value Plan with Centrum Health, members receive robust benefits that include:

- **Comprehensive Medical Care** – For coverage on essential medical care and wellness services, such as preventive care, maternity care and emergency services.
- **Care and Disease Management** – For members who need extra support, Ambetter’s Care Managers coordinate care and support services as part of their treatment plan.
- **Ambetter Perks** – For access to healthy discounts such as local gym memberships or healthy eating services, to help Ambetter members stay well and save.

Ambetter offers multiple plan options, including the Value Plan, which gives members access to providers and offices in the Centrum Health network at a lower monthly premium.
